

Aluminum Alloy Dedicated Cable Management Frame

Overview

It is an aluminum cable management arm designed to help eliminate cable stress and maintain a neat, organized cable layout within an enclosure or a rack. It includes an installation guide, mounting hardware, and mounting straps. Mouser offers inventory, pricing, & datasheets for Aluminum Alloy Wire & Cable Management. ABB saves time and labor with its comprehensive lines of metal framing and cable tray, including the industry's only 100% plated products, our 1 1/2" modular system, and hundreds of accessories to complete any job. Options that integrate with height adjustable worksurfaces deliver increased wellness to the workstation. Designed to conceal and effectively connect wires in fixed. To compliment the Centaur PVCu President and Bench Trunking Range we offer an Aluminium alternative where a more robust cable management solution is required.
