

CE Certified Cold Connector 24-pin

Overview

The hdc he 024m offers 24-pin configuration with 16A/500V rating, featuring polycarbonate housing and gold/silver-plated contacts. ISO9001/CE-certified, it suits machinery, renewable energy, and industrial systems. Cryoandmore provides several hermetically sealed connector solutions for your exact configuration. For flexibility choose between 4, 7, 12, 18 and 24 pins. The SCBrtc Connector Series will mostly be installed on cryostats which not stay at room temperature all time. The surface is sandblasted and painted for high. Ideal for use with 12 pair twisted woven loom: loom available in niobium titanium, beryllium copper, copper and constantan. Ideal for use with <a. Han High Temp 24E-c Female - 09338242704 - HARTING Connectivity & Networks. Category: Inserts, Series: Han E® High Temp, Termination method: Crimp terminationThe connectors and connection cables of econ connect offer high quality and are solely produced in certified facilities. To match the needs of your specific application, econ connect develops connectors in a large variety of models. The product range includes various connectors and has most. Heavy duty connector rectangular - Heavy Duty Rectangular Temperature Controller Connectors 24 pin - China Smico Electrical Heavy Duty Rectangular Temperature Controller Connectors 24 pin 09330242601 Heavy Duty Rectangular connectors for Temperature control box: The hot runner temperature control.
