

Cable Management Stand 24 Ports Iraq

Overview

Model 02, 24 Ports – Modular, has a unique loop cable organising system to enable easy and secure cable management. The cable holders suit cable diameter up to 9. Made from hard plastic with a good bending capability the holder contracts around the cable to hold it in place. Our production line delivers high-quality products designed for demanding construction and industrial applications, ensuring reliability and performance in all conditions. Electro Design (ED) supplies cable trays, cable ladders, electrical enclosures, outdoor racks, and cooling units for industrial projects across Iraq. Shop confidently with AL-NABAA. With a wide variety of designs available, selecting the right type can significantly improve accessibility. These special cable organising patch panels are exclusively designed by Briticom®. Experience hassle-free and efficient installation services today.
