

How to hold hair in place with a cable clip

Overview

The easiest way to style your hair with a claw clip is to gather all of your hair into a bun or ponytail, twist it up against your scalp, and secure it with the claw clip. You can also do a “half-up, half-down style,” says professional hairstylist Janet Miranda, “and just secure. With the help of professional hairstylist Janet Miranda, we've put together this list of every quick, easy, and chic way to put up your hair with a claw clip. This method gives your clip a stronger hold while keeping y. more Sound or visuals were significantly edited or digitally generated. Hair clips are versatile accessories, perfect for keeping hair in place while adding a stylish touch to any look. Often, a combination of these factors, rather than one magic. Isn't it frustrating when you twist your hair into a claw clip and almost immediately it feels loose and looks messy?

Well don't worry! I have the perfect quick and easy hack so it will never happen to you again.
