

Supply of Fireproof Cable Trays for High-Voltage Cables in the UAE

Overview

Cable tray manufacturers in UAE and cable tray suppliers in Dubai provide fire-resistant trays and cable tray accessories that ensure safety, durability, and compliance. Our Durasteel cable enclosures are also assessed in accordance with the standard defined in BS EN 1366-5:2003 for a fire from both 'outside to in' and 'inside to out'. Effective protection of cable systems around the world: our tried-and-tested FLAMMOTECT-A and DG-CR 0.7 products are successfully used to protect cables in high-rise buildings, industrial buildings, and offshore facilities as well as in sensitive areas, such as hospitals, airports, production. We at Ruwais Steel hold a pan-UAE presence to supply cable trays of the highest industrial standards to businesses, factories, manufacturing units, and other setups to create an efficient Cable Tray System that is acclimatized to match any weather conditions. Cablofil fire resistant and fire proof cable.
